MEHENDI ARTIST

Indian marriages are known for their many rituals. Indian weddings are incomplete without dance, music and lots of laughter. Furthermore, Indian weddings are not a one day ceremony. Pre-wedding ceremonies begin before the wedding and can sometimes be a week long celebration. One of the most important pre-wedding ceremonies in Indian marriages is the 'Mehendi ki raat'. It is not only a fun pre-wedding ritual but also has a deep-rooted cultural significance to it.

PWP provides you multi-design mehendi for feet and arms. Applying mehendi to the bride and the groom before the wedding is one of the oldest Indian traditions. Mehendi represents the bond of matrimony and is therefore, considered a '*shagun*'. It signifies the love and affection between the couple and their families.
